

Westside Athletic Booster Club Scholarship Opportunity

On behalf of the Westside Athletic Booster Club, we are proud to present a scholarship opportunity for a deserving senior who demonstrates athletic ability, sportsmanship, and a desire to pursue a higher education after graduation. This scholarship is a way to pour resources back into the students as they graduate and partake in their new journey. By sowing this small seed, we hope the recipient of this scholarship will return and pour back into the booster club as an alumni and continue to sow seeds withing this community.

This scholarship is a form of financial aid for students enrolling into a college / university after high school. These scholarships are for students who demonstrate excellence on the field, court, track, mat and/ or pool as well as excelling in the classroom.
